*Igniting the spark of entrepreneurship in you*

Experience

# DISCOVER THE POWER OF ENTREPRENEUR IN YOU

- Dream your future that is exciting
- Design your enterprise that is ever growing
- Deliver value to society that is sustaining and
- Leave your imprints that are impacting!

People are born with innate capacities for unlimited possibilities. Converting the capacities into capabilities is within human potential.

That comes when one exalts with vision and imagination, purposefully and meaningfully! That's when an entrepreneur is born!

He who has no bounds for thoughts and action, he who has no scope for inhibitions for initiatives, and to whom it does not matter what stops on the way ... is the one who marches ahead and makes it happen.

Creates value through wealth, brings value to lives and gives opportunities a chance!

## Entrepreneurship...

### Learning for Life

### A discipline that deciphers the determinants of success!

Expand knowledge, acquire skills, practice principles, exercise the mind, analyse the opportunities, occupy the space, augment resources, optimise technologies, create jobs, combat barriers, enable the ecosystem and achieve the heights of success. Going through an Entrepreneurship course takes you through an experience of learning with a vision for future and a mission for life. No wonder the best known institutions and universities across the world have ventured into offering courses in Entrepreneurship, be it Harvard, Oxford or Cambridge. IIMs, ISBs or ISBR! All for its value for life's accomplishments.

Entrepreneurship development has become a mission for Governments and development agencies. For, that is what will address the challenge of employment for growing economies.

ISBR Business School joins the bandwagon of those few global players who have considered it a cause that is worthwhile to pursue and a challenge that is inescapable if we have to create a sustainable world through economic opportunities.

ISBR's programme on Entrepreneurship is built on the premises of experiences of expert professionals and successful entrepreneurs and on the edifice of strong curriculum and quality learning resources, faculty and infrastructure.

## Bangalore...

The globally acknowledged happening epicentre of entrepreneurial energies. A hub of global business initiatives and ventures. The city provides the right ecosystem for learning, doing and making! The State provides an inspiring environment through policies and infrastructure. Be it mega, large, medium or small, and even micro, all enterprises have their space! Technology is driving the development and creating new opportunities. Market is booming and becoming the melting pot. Industry and services sectors have achieved a phenomenal growth and are going steady.

Studying in Bangalore makes a big difference! Whether in Classroom or outbound, students experience positive aura and creative vibes. In the heart of the most happening technology capital, the Electronics City is the ISBR campus that is matchingly equipped to make the learning a joy, living a comfort and leading a flair that is natural.

Students get first hand exposure of doing business in the incubation phase and will be getting ready to experience the taste of success globally via Bangalore.

The momentum of the vibrant Indian economy can be sustained through strong entrepreneurship. Young India has the potential to change course, take risks and achieve greater heights. We believe in the youth and would like to contribute to their growth path that in turn would help in powering the nation's development

## About ISBR Group

ISBR Business School Bangalore is located in Electronic City, one among the fastest growing locality in Bangalore with huge industrial base of both small and large scale industries.

ISBR was set up under the aegis of Bangalore Educational Trust established in the year 1990. Bangalore Educational trust is a charitable Trust built with an objective to serve the society at mass for the betterment of the nation.

ISBR Business School, one of top business schools in India takes pride for creating an atmosphere wherein both students and faculty can pursue boundless knowledge, a single roof where theory and practice goes hand in hand to present better understanding about oneself and world around him. Education at ISBR prepares you to think boldly and act confidently in any business environment.

At ISBR the focus goes beyond education. ISBR aims to prepare students for life - Making them a Leader.

The success of ISBR as an acknowledged institution for quality learning is an outcome of the various facets that give ISBR its characteristic value - the faculty, enterprising students, infrastructure facilities and industry partnerships.

We welcome you to be a part of this ranked institution.

This unique program has been designed with inputs from successful entrepreneurs, investors and professionals and implemented under the guidance of an academic advisory council comprising members from academia, industry and profession.

## Faculty

Our faculty core as well as visiting are leading thinkers whose research and teaching are second to none. They actively publish in refereed academic journals, serve on editorial boards, and hold leadership positions in professional organizations. They collaborate with other thought leaders from around the world and have significant impact on the direction of research and knowledge generation in their areas of interest. Through their research, and by serving as consultants and advisors for leading corporations, they influence the practice of management. As skilled teachers who are dedicated to student learning and highly accessible, they give ISBR students an unmatched educational experience. Eminent entrepreneurs and professionals visit the campus to teach and share their experiences.

# EXPERIENCE

The Post Graduate Program in Entrepreneurship and Business Innovation is **a one year intensive program that trains the student in every aspect of becoming a successful and innovative entrepreneur.**

## Experience an exciting transformation

Generating Ideas | Spot the Opportunities | Acquire Competencies | Develop Skills | Expand your Horizon | Explore the World | Immerse yourself into a Cultural Experience | Incubate & take off

## The transformation of the student into an Entrepreneur

## Learn from the Best

# Uniqueness of the Program

## Generate – Incubate & Nurture An Idea Into An Enterprise

This program provides comprehensive entrepreneurship education and helps the student take the first step towards realizing the dream of setting up a business with a global reach.

A mixture of case studies, lectures, coaching sessions, business simulations games, international immersion programs, cross cultural exposure, interaction with investors, mentorship, industry interface, internship, network & membership in professional bodies & business chambers, ensure a rigorous and complete learning experience.

You will not only learn how to **identify interesting business opportunities** but also **acquire the competencies needed to exploit them profitably**.

## Program Objective

To develop entrepreneurs by inculcating and nurturing entrepreneurial skills and capabilities and by providing opportunities for experiential learning and presenting opportunities to start new business ventures.

## Benefits of the Program

Idea to reality | Capability building | Product design & development | Product launch | Market access | Funding & Resource mobilisation | Angel funding & Venture capital | Sharpen Decision making skills | Analytical abilities | Networking | Access to national & international Memberships | Globally accepted certification & recognition | Exploit networks | Connect the dots | Optimise business ecosystem | Achieve your goals | Scheduling & time management

“ISBR idea aims at preparing entrepreneurs with skill sets of business management and in facilitating the much needed capital, which often impedes talented entrepreneurs to start a business”

**Dr. K. S. Anandaram**  
Senior Director

“ISBR brings in thought leadership with a blend of academic rigor and hands on applicability to real world issues.”

**Dr. C Manohar**  
Dean

“The learning environment at ISBR is enriched by a team of highly talented and motivated faculty and staff, and a great leadership.”

**Mr. Bharat Jain**  
CEO

“If you have a vision, a desire to create and revolutionize your prospects, you are at the right place.”

**Mr. Mayur Jain**  
CTO

# PROGRAM FEATURES

Move forward, Accelerate & Take off

## Incubation

Incubation is where you will put your learning into practice. Get a jump start by interacting with incubators. Engage business mentors to help you succeed in building a scalable business. Benefit from their wisdom. Minimize the risk of your business' failure; Increase its chances of success; Raise funds from Business Angels and Focus on building your business with the best resources.

## Internship

You will gain real time experience during internship with enterprises of your choice sectors. Learn & experience the challenges of starting, running and operating businesses in all its functions and dimensions. Gain exposure to production planning, marketing, human resource management, financial management and operations.

## International Immersion – Global Intelligence

Acquire knowledge and exposure to processes, practices in diverse business environment in different economies and cross national boundaries through the international immersion program in countries of Europe & Asia.

## Leadership Intelligence

Students get ample opportunities to respond to business challenges where along with their knowledge their leadership abilities are put to test, honed and created.

## Workshops & Seminars

Constantly update domain knowledge and share success stories of enterprises through seminars and workshops in different domains, verticals and sectors.

## Mentorship

Empowering yourself with the guidance & direction of successful entrepreneurs share their experience & wisdom and lead by following. Mentors provide handholding support and walk through during the journey of entrepreneurship.

## Team Dynamics Building

The students imbibe the trait of assigning high importance to their vision and ensuring that the team's objectives are aligned with this vision.

## Industry Interface

Active industry interface provide opportunities for constant and continuous updates on technology, innovation and best management practices.

## Memberships

Students enrol themselves to the memberships of Chambers of Commerce and industry bodies, professional associations and NGO's to enrich contacts and networks and also engage with members of such bodies

## Legal Processes

Starting business in a legal framework and giving shape to your business to be a legal entity. Carrying business with due legal compliances and good governance.

## Capital Structuring

The success of business depends on strong foundation of financial planning and resource mobilisation. Right capital structuring and prudent fund management will ensure your success in business. This course provides you a mentor support for the same.

## Business Simulation

Practicing application of knowledge & skills to solving business problems in a simulated environment using specialised tools & techniques will prepare you to handle real life problems with ease and comfort.

## Market Access

You will gain access to information and learn market entry strategies for start-ups as well as ongoing businesses. Avail opportunities presented by government and private agencies.

## Funding

We are in an era where funds chase opportunities. Banks, Financial investors, Angel funding and venture capital agencies are constantly on the lookout for right projects, sustainable & scalable businesses. You have an advantage as this program enables you to connect the dots.

## Business Plan Development

Business plan is a ladder that takes business idea into reality. It considers all factors that affect the business and provides a road map for building businesses.

## Project Report

A bankable detailed project report (DPR) needs to be prepared by the students with regards to their ventures after conducting a thorough primary & secondary market research. Students of family business alternatively prepare a Five year perspective plan (FYPP) for growth of their respective firms.

## Rural Immersion Program

There is fortune at the bottom of the pyramid. Rural Immersion program facilitates the understanding of opportunities and challenges prevailing in rural economies, that is huge and untapped.

## Project Preparation

Project Preparation is critical for analysing technical feasibility, financial viability and growth possibility of the business idea.

# PARTNERS & TIE UPS

Students will have ample opportunities to interact with members of business chambers and professional bodies to develop partnerships and collaborations.

## ACADEMIC BODIES
